knowledge. This book is

designed to serve as both a comprehensive study guide for aspirants and a manual for active practitioners seeking to refine their operational competence. Key features: 100% aligned to IIBF syllabus. Comprehensive coverage. MCQs with detailed explanations. Revision sheets. *Handbook of Research on Global Aspects of Sustainable Finance in Times of Crises* Gok, Ibrahim Yasar 2021-11-19 Sustainable finance has been one of the emerging areas of finance in the last decade. With its emphasis on any form of financial services that take environmental, social and governance (ESG) considerations into account in decision-making processes, it can help to improve social well-being, preserve the ecosystems and promote sustainable economic development. Furthermore, it can contribute to economic and financial resilience, along with enabling sustainable recovery against crises arising from physical or financial shocks. The Handbook of Research on

Global Aspects of Sustainable Finance in Times of Crises discusses theory and concepts, focuses on practices and strategies, addresses the recent challenges and trends, and presents future prospects regarding sustainable finance. It provides a global look at sustainable finance in a variety of contexts, along with highlighting contemporary issues in light of crises such as the climate emergency and the COVID-19 pandemic. Covering a wide range of topics such as climate finance, green finance, social finance, ESG investing and responsible banking, the book is ideal for corporate managers, portfolio managers, investors, financial analysts, researchers, academicians, students and policymakers.
