Whatever document type you're working on, you'll never have to use another document creator again. Grab any one of our templates and easily customize it for free with our drag-and-drop editor, /Magic ... Write, edit, and collaborate on documents with Microsoft Word online. Free and seamless access from any device. Use Microsoft Word for online document editing with AI-powered suggestions from Copilot for grammar, style, and clarity. Write, edit, and collaborate anywhere. Create and edit web-based documents, spreadsheets, and presentations. Store documents online and access them from any computer. Work on fresh content With Docs, everyone's working on the latest version of a document. And with edits automatically saved in version history, it's easy to track or undo changes. Online Document Converter. Quickly convert any document to PDF, Word, PPT, HTML, and more. 100% free, secure, and works on any web browser. I worked for an hour making a document which I can't make into a template cause files won't work for me! Also I think you need to add more pages allowed like 200 pages and also make the pages bigger.
