Hands-On Math Projects with Real-Life Applications Gary Robert Muschla 2000-08-15 A collection of 60 hands on investigations to help students apply math concepts and skills to everyday problems found across the curriculum, in sports, and in daily life. These tested projects stress cooperative learning, group sharing, and writing, and build skills

in problem-solving, critical thinking, decision-making, and computation. Each project follows the same proven format, including instructions for the teacher, a Student Guide, and one or more reproducible datasheets and worksheets. To help find appropriate projects quickly, a special Skills Index identifies the skills emphasized in each project, and all materials are organized into 6 major sections: Math & Science Math & Social Studies Math & Language Math & Art & Music Math & Sports & Recreation Math & Life Skills
