**How Not To Kill Your Car** Pallow Hamavhwa 2021-01-08 Most of my friends have told me stories of how they got swindled by getting a raw deal when buying a car (second hand or new). Others have complained of how they got overcharged by dishonest mechanics. This book will familiarize you with basic car care and tips including Choosing the right car, car check-list before a long trip, how to keep the automatic transmission alive, top reasons why your car won't start, among others. To the readers, the author is happy to wish that the pages of this book may help you learn the fastest, easiest, and most comprehensive tips to maintain your car. It's a book that every car owner (or anyone intending to) should have.
