Roadmap to 5th Grade Reading, Virginia Edition

Stephanie Reents 2002 If Students Need to Know It, It's in This Book This book develops the English and reading comprehension skills of fifth-graders. It builds skills that will help them succeed in school and on the Virginia Standards of Learning Assessments. Why The Princeton Review? We have more than twenty years of experience helping students master the skills needed to excel on standardized tests. Each year we help more than 2

million students score higher and earn better grades. We Know the Virginia Standards of Learning (SOL) Assessments Our experts at The Princeton Review have analyzed the Virginia SOL English: Reading/Literature and Research Assessment, and this book provides the most up-to-date, thoroughly researched practice possible. We break down the test into individual skills to familiarize students with the test's structure, while increasing their overall skill level. We Get Results We know what it takes to succeed in the classroom and on tests. This book includes strategies that are proven to improve student performance. We provide - content review based on Virginia standards and objectives -detailed lessons, complete with skill-specific activities -two complete practice Virginia SOL English: Reading/Literature and Research Assessments For
