Satan's Sabbath Don Pendleton 2014-12-16 In New York the Executioner brings his war to an explosive end Every day this week, one of the last great Mafia outfits has fallen. All that remains is New York, whose dons no longer believe the one-man army known as Mack Bolan even exists. They will soon find that he is very real—and that their most trusted hit man of all is working on the Executioner's side. Ever since his war began, Bolan has known that it would end in death—either for him or for the Mafia itself. Lured by the promise of amnesty into working for the US government, he will make this his final, most incredible mission. One way or another, Mack Bolan is finished—but the Executioner's war will live forever. *Satan's Sabbath* is the 38th book in the Executioner series, but you may enjoy reading the series in any order.

War Against the Mafia Don Pendleton 2014-12-16 The first book in the classic vigilante action series from a "writer who spawned a genre" (The New York Times). Overseas, Mack Bolan was dubbed "Sgt. Mercy" for the compassion he showed the innocent. On the home front, they're calling him the Executioner for what he's doing to the guilty. In the jungles of Southeast Asia, American sniper Mack Bolan honed his skills. After twelve years, with ninety-five confirmed hits, he returns home to Massachusetts. But it's not to reunite with his family, it's to bury them—victims in a mass murder/suicide. Even though Bolan's own father pulled the trigger, he knows the old man was no killer. He was driven to madness by Mafia thugs who have turned his idyllic hometown into a new kind of war zone. Duty calls . . . Introducing an action hero "who would make Jack Reacher think twice," this is the first book in the iconic series of vigilante justice that has become a publishing phenomenon (Empireonline.com). With more than two hundred million Executioner books sold since its debut, the series continues to stimulate. Gerry Conway, cocreator of Marvel Comics' The Punisher, credits the Executioner as "my inspiration . . . that's what gave me the idea for the lone, slightly psychotic avenger." The series is also now in development as a major motion picture. *War Against the Mafia* is the 1st book in the Executioner series, but you may enjoy reading the series in any order.

Rage Elizabeth Ergas 1993 The author of *Devil's Gate* offers a frightening ghost story about a woman who is buried alive . . . but whose vengeance refuses to die. An obsidian pendant, fashioned from volcanic rock, is the key to a murderous secret that has been locked away for 90 years. And soon a quiet community will understand the terrible power of one woman's wrath.

Fifty seconds to snatch millions of dollars away from the international crime syndicate that he declared war on so long ago. For forty-nine seconds, everything goes fine . . . The Executioner takes aim at the mob's biggest casino as he awaits a duel with two of the deadliest hit men the Mafia has to offer. *Vegas Vendetta* is the 9th book in the Executioner series, but you may enjoy reading the series in any order.

Cleveland Pipeline Don Pendleton 2014-12-16 A woman is kidnapped, and only the Executioner can save her On a moonlit Cleveland dock, Mack Bolan watches the flagship of the local boss's criminal fleet. Toward the ship come two figures dragging an aging prisoner who makes no attempt at escape. Bolan breaks his stakeout to save the old man. He is a judge—and he's minutes from cardiac arrest.
