The Cumulative Book Index 1914

Backpacker 2001-03
Backpacker brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, Backpacker is the world's first GPS-enabled magazine, and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. Backpacker's Editors' Choice Awards, an industry honor recognizing design, feature and product innovation, has become the gold standard against which all other outdoor-industry awards are measured.

Popular Science 1948-04
Popular Science gives our readers the information and tools to improve their technology and their world.

The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.
