Study Guide to Accompany Fundamental Accounting Principles Chapters 1-17 Financial Chapters Kermit D. Larson 2004-02 Prepared by Barbara Chiappetta, Nassau Community College, and Janice Klimek, Central Missouri State University, this guide covers each chapter and appendix with reviews of the learning objectives, outlines of the chapters, summaries of chapter materials, and additional problems with solutions.

Accounting Principles, Parts 1 and 2, Study Guide Jerry J. Weygandt 2004-03-09 * The Navigator is a learning system designed to guide students through each chapter and consists of a series of checklists tied to the chapter's study aids, text features, and study skills. * A Learning Styles Model is introduced in the preface and incorporated throughout the book to enable students with different learning approaches to better understand the material. * Feature Stories are brief stories of real Canadian companies that relate the chapter information to the real world and are discussed further throughout the chapter. * Chapter Previews at the beginning of each chapter feature a paragraph linking the opening vignette to chapter material. A visual outline of the topics and subtopics of the chapter is also presented to provide students with a chapter roadmap. * The text has been thoroughly reviewed by an instructor of English as a Second Language in manuscript stage to ensure that Accounting Principles provides an unprecedented level of clarity and readability to all readers. * Accounting Equation Analyses appear in the margins next to key journal entries. They help your students understand the impact of accounting transactions and cash flow on the financial statements. * Stepped-out pedagogy breaks down complex topics making the material more manageable for students. Some examples of this pedagogy are: * Concepts for Review - Concepts learned in previous chapters that are essential in order to understand the topics about to be covered are listed at the start of each chapter with pages references. * Before You Go On - These "Review it and Do It" sections ensure that students understand what has just been covered before progressing further into the chapter.

Study Guide, Volume I Chapters 1-13 for Use with Fundamental Accounting Principles Kermit D. Larson 2001-05-08 A Study Guide (prepared by Barbara Chiappetta) covers each chapter and appendix with reviews of the learning objectives, outlines of the chapters, and summaries of chapter materials. It also provides additional problems and solutions.

Accounting Principles, Chapters 14-27, Study Guide Jerry J. Weygandt 2001-05-04 * The Navigator -- the centerpiece of the learning system that empowers students to succeed consists of * A checklist at the beginning of each chapter, outlining text features and study skills needed * A series of check boxes to prompt students to use the learning aids in the chapter, and set priorities while studying * Accounting in Action and Technology in Action boxes give students glimpses into the real world of business-including Ethics Insights, International Insights, e-Business

Insights, and Business Insights. * Student and Instructor Approved Pedagogy includes marginal accounting equation analyses, and financial statements and ratio analysis throughout the text. The strategic use of color, photographs, and illustrations, rated #1 in instructor satisfaction. * Infographics -- These memorable visual reminders help students visualize and apply accounting concepts to the real world. * Unparalleled Readability -- Students using Accounting Principles rated their text "easy to read" more frequently than students using other accounting principles textbooks. The new edition continues to reflect this conversational style and highly rated clarity. * Useful, Thought-Provoking End-of-Chapter Material -- including Self-Study Questions, Questions, Brief Exercises, Exercises, A & B Problem Sets and Broadening Your Perspective which is divided into two sections: * Financial Reporting and Analysis -- includes financial reporting problems, comparative analysis problems, Interpreting Financial Statements: A Global Focus, and Exploring the Web exercises. * Critical Thinking -- includes Group Decision Case, Communication Activity, and Ethics Case.
