Ccie Voice Secrets to Acing the Exam and Successful Finding and Landing Your Next Ccie Voice Certified Job Kathleen Neal 2012-08 Good solid advice and great strategies in preparing for and passing the CCIE Voice exam, getting interviews and landing the CCIE Voice job. If you have prepared for the CCIE Voice exam - now is the moment to get this book and prepare for passing the exam and how to find and land a CCIE Voice job, There is absolutely nothing that isn't thoroughly covered in the book. It is straightforward, and does an excellent job of explaining some complex topics. There is no reason to invest in any other materials to find and land a CCIE Voice certified job. The plan is pretty simple, buy this book, read it, do the practice questions, get the job. This book figures out ways to boil down critical exam and job landing concepts into real world applications and scenarios. Which makes this book user-friendly, interactive, and valuable as a resource long after students pass the exam. People who teach CCIE Voice classes for a living or for their companies understand the true value of this book. You certainly will too. To Prepare for the exam this book tells you: - What you need to know about the CCIE Voice Certification and exam - Preparation Tips for passing the CCIE Voice Certification Exam - Taking tests The book contains several suggestions on how preparing yourself for an interview. This is an aspect that many people underestimate, whilst having a well-written CV, a personal blog, and possibly a number of past projects is definitively important - there is much more to prepare for. It covers non-technical aspects (how to find a job, resume, behavioral etc.). A 'Must-study' before taking a Tech Interview. To Land the Job, it gives you the hands-on and how-to's insight on - Typical CCIE Voice Careers - Finding Opportunities - the best places to find them - Writing Unbeatable Resumes and Cover Letters - Acing the Interview - What to Expect From Recruiters - How employers hunt for Job-hunters.... and More This book offers excellent, insightful advice for everyone from entry-level to senior professionals. None of the other such career guides compare with this one. It stands out because it: - Explains how the people doing the hiring think, so that you can win them over on paper and then in your interview - Is filled with useful work-sheets - Explains every step of the job-hunting process - from little-known ways for finding openings to getting ahead on the job This book covers everything. Whether you are trying to get your first CCIE Voice Job or move up in the system, you will be glad you got this book. For any IT Professional who aspires to land a CCIE Voice certified job at top tech companies, the key skills that are an absolute must have are having a firm grasp on CCIE Voice This book is not only a compendium of most important topics for your CCIE Voice exam and how to pass it, it also gives you an interviewer's perspective and it covers aspects like soft skills that most IT Professionals ignore or are unaware of, and this book certainly helps patch them. When should you get this book? Whether you are searching for a job or not, the answer is now.

Handbook of Voice Assessments Estella Ma 2011 This title covers a comprehensive description of voice assessment. It embraces current best practice and the latest research reports on the assessment of voice by leading international clinicians and scholars in the professions.

IE Voice Alchemy Kevin Wallace 2013 "The CCIE lab exam is an eight-hour, hands-on exam which

requires you to configure a Cisco enterprise voice solution over an IP network. Although basic network connectivity is provided, you will be responsible for configuring the pre-installed applications to satisfy the requirements of the lab, and to troubleshoot important parameters of a voice network, such as quality of service, VLANs, gateways and gatekeepers. CCIE Voice Lab Exam LiveLessons is a comprehensive video training package that helps you prepare for the rigorous CCIE Voice lab exam. Expert voice instructor Kevin Wallace provides you with more than 17 hours of video based on the 12 strategies he developed for how to tackle the CCIE Voice lab exam on exam day. The product includes 18 videos that walk you through a mock CCIE Voice lab exam designed by the author to illustrate his valuable 12-step process for exam success, the same method Kevin used to pass the CCIE Voice exam. In addition to these 18 mock-lab tutorials, Kevin also provides you with 12 supplemental video lessons covering both test taking tips and concepts that it is critical to know before attempting the exam. Finally, this hands-on, step-by-step video training tool also includes downloadable documentation that covers base configurations (and a listing of hardware) for all routers and switches, including the PSTN/Frame Relay Switch router as well as all the configurations performed in the mock-lab walkthrough videos."--Resource description page.
