*Reports of Cases Determined in the Courts of Appeal of the State of California* 2007  
*Addressing Rape Reform in Law and Practice* Susan Caringella 2009 The first comprehensive book on rape since Susan Brownmiller's *Against Our Will* and Susan Estrich's *Real Rape*, this volume probes every aspect of rape law and the discrepancies between ideal law (on the books) and real law (in action). Susan Caringella canvasses the success and failure of reform in the United States, as well as Australia, Britain, Canada, and New Zealand, and assesses alternative perspectives on rape reform, making use of theoretical models, court cases and statistical data. She uniquely delineates a creative model for change while addressing the discretion that undermines efforts at change. This includes charging the accused and plea bargaining, confronting a lack of transparency and accountability in implementing law, and acquiring funding for such changes.

*The Color of Crime* Katheryn Russell-Brown 1999-09 As if crime and race in the US were not volatile enough issues independently, there is their explosive interface. This is the territory staked out by Russell (criminology and criminal justice, U. of Maryland), who probes racial stereotypes (some perpetuated by "scientific racism"), the hoaxes they have spawned, differing views of police actions by race, and affirmative race law. A public-police contact survey and case summaries of recent racial hoaxes are appended. Annotation copyrighted by Book News, Inc., Portland, OR

*Investigating Missing Children Cases* Donald F. Sprague 2018-06-28 Time is an abducted child's worst enemy. Seventy-four percent of abducted children who are murdered are killed within three hours of their abduction. It takes, on the average, two hours for a parent to report a child missing. This gives responders only one hour to get an investigation up and running in an attempt to locate and recover the child alive.  
*UNjust* Gary Ivory 2021-11-11 UNjust is the shocking story of a father's 16-year journey in the pursuit of justice. It is based on the true story of a woman's untreated mental illness that led to hundreds of victims across several states. Lisa Brown (Lauryn Burns in the book) is a highly sought-after engineer and celebrated math teacher. Gary Ivory (Gerald Ingram in the book) is a nonprofit executive and preacher with social justice bona fides. They have a child together (Sophia in the book). Along the way, Lauryn has trysts with two former NFL players and her attorney. Lauryn loves the attention and the money, but it cannot keep the demons away. Amber Alerts are issued as Lauryn kidnaps her daughter and is on the run across several states. The rampage continues until the FBI becomes involved. Her deceit lands her in jail and on the national news. UNjust chronicles the story of a father who will go to any means to find and save his daughter. It is the story how untreated mental illness can become lethal. It is the story of a young girl's resilience in the face of abuse and adversity. It is the story about how the criminal justice system, a corrupt lawyer and a mentally ill woman conspire to destroy a father. It is the story of a 16-year struggle for humanity, redemption and justice.
