Bound In Sin (A Vampire/Werewolf

Romance) Cynthia Eden 2014 What's the price of sin? Human Paige Sloan once loved werewolf Drake Wyler more than life, but then that life was taken away from her. Attacked by vampires, Paige was bitten, and, on a cold, dark night, the life she'd known ended. She was reborn as a vampire--a werewolf's deadliest enemy. Paige ran from the vampires who attacked her, and she ran away from her lover. She didn't want Drake to know what she'd become, and she didn't want to face the fury of his pack. But a girl can only run for so long until the past catches up with her. Some sins mark your soul. When Paige learns that Drake is being targeted for death, she knows that she can't hide in the shadows any longer. She has to return to him, and she

will do anything--anything--in order to make sure that he keeps living. The vampires might have destroyed her chance to live and love Drake, but they won't take him. Not over her undead body. She'll slay them all...and maybe, just maybe...she'll even have the chance to sin--one more time--with the werewolf who'd marked her as his mate. Some sins are worth dying for...

Don't fear Death. Desire him. Cassius "Cass" Garvan is the last Reaper. One of the baddest of the bad...Cass can literally kill with a touch. He's the bounty hunter who always brings in his prey, undead or alive. This time, he has a new target...the all-too-tempting Amber Fortune. Hunting her down was the easy part. Giving her up? Cass isn't so sure that he can let her go. Amber has been on the run for decades, and she isn't about to surrender herself to the Reaper. Sure, maybe she does have a weakness for bad boys. Maybe she does like guys who have dark sides—and a man can't get darker than Death. And when Cass kisses her, she doesn't fear his touch. She wants him. Wanting a Reaper can be a very dangerous thing. When Amber finds

herself trapped with the Reaper for forty-eight hours, she knows that she is in for the most dangerous time of her very long life. If she hopes to escape the torment coming her way, then Amber has to convince Cass to let her escape. Does Death have a heart? Amber is about to find out. She'll use every trick in her playbook to get Cass on her side. But even as she works to seduce him, Amber has to be very careful and not let Cass break through her control. Because everyone knows... Once you fall for Death, there is no turning back. Author's Note: UNDEAD OR ALIVE is part of the "Bad Things" paranormal romance series. Each book in the series is a complete stand-alone read. intended to be one of the most feared creatures to walk the earth. Once upon a time, she was a human—one who fell in love with a mysterious stranger. But when she got caught in a paranormal war, she lost her humanity and died...only to wake later as a vampire. Now Rose has a choice. She can continue to try and be the good girl she once was or she can let her darkness out to play. Maybe it's finally time for her to step into the dark. He's the reason she's undead. Panther shifter Julian Craig has a mission—protect Rose at all costs. It's his fault that she lost her human life, and he literally made a deal with the devil so that she would have a second chance as a vampire. And as part of that deal, he's supposed to keep his hands off Rose. An impossible task considering the dangerous lust he feels for her. When Rose is targeted by a paranormal collector, Julian knows that he will have to let his own beast out if he is to protect the only woman who ever touched his battered soul. Rose may be afraid of the

darkness she carries, but Julian is more than ready to show the world just what kind of a monster he truly is. Julian isn't afraid of the dark...but the monsters that wait in the shadows? They will bow to him. He'll show her just how good it can feel...to be bad. investigates her first official homicide case, she never expects to have her world ripped apart. But the murder she's investigating is part of a deadly war between vampires and werewolves...and now Jane is caught in that eternal battle. A battle that can't end well. Werewolf Aidan Locke has been running New Orleans for years. It's his job to keep the vamps out of the city. But when a Master Vampire comes to town, determined to unleash hell, Aidan knows it's time to fight with all the fury of his pack. Beast versus vamp, until the last breath. Then he meets Jane... One look, one taste, and Aidan knows that Jane is far more than she seems. Far more than she even knows herself to be. She's important in the paranormal war, not a pawn to be used, but a queen to be won. And if he can't keep her at his side, if he can't stop the darkness from descending on the town...then Jane Hart will become not just a fierce cop, not some guardian, but something deadlier. Darker. Aidan will fight heaven and

hell to change her fate. To change their fate because he is more than just a predator. And Jane is more than prey. Far more. BETTER OFF UNDEAD - Book 2 Detective Jane Hart is just getting used to paranormal life in New Orleans. Monsters are real, and she's the lucky cop who has to deal with them on a daily basis. Werewolves, vampires, witches, and demons—she has to face them all and keep their paranormal madness in check. When a killer targets human men—and leaves their bodies scattered in local cemeteries—Jane suspects she may be looking at the crimes of a werewolf gone rogue. In order to hunt down the beast, Jane once again teams up with her werewolf lover, alpha Aidan Locke. But Aidan has been keeping secrets from Jane, dark secrets that will destroy her world. Because Jane isn't the hunter on her latest investigation. She's the prey. And when a vampire attack leaves her helpless, the woman that Jane was before will vanish. She'll become the one thing she fears most and Aidan... Her

fierce lover may have to become her executioner. BITTER BLOOD – Book 3 New Orleans detective Jane Hart is a vampire. She craves blood, has supernatural strength, and when the mood hits her just right, she can grow one killer pair of fangs. She never counted on being a vamp, but she also never counted on falling hard for werewolf alpha Aidan Locke. Now she's mated to the wolf, and even though she's living the undead life, Aidan refuses to leave her side. But Jane is being watched, hunted...tested. And each deadly test that she faces puts Jane—and the people she loves—in the path of a determined killer. She has to find out who is setting her up, before it's too late. Too late for Jane. Too late for Aidan. Jane's blood has infected Aidan and the wolf that lives within him is fighting for survival. Each battle...each dark test that their enemy puts in their path...each move slides Aidan closer to the edge. A darkness is growing inside of him. A darkness that is slowly consuming the man he's been...

And leaving only the monster behind.
